Let the Season Begin

The 2021-2022 Season begins on November 1st. Weekly and Monthly Calendars, and the Activity List are part of this newsletter. These calendars can be downloaded and printed so one can put on their refrigerator. If changes are made, notices will be put on the White Board or sent to you by the means you get your newsletter.

Sign-up sheets will be put on the West Wall for volunteers to help with activities. In order to have all these scheduled activities, it is important that volunteer's sign up to assist. Let's work together in making this a successful season.

General Meeting

The first General Meeting of the season will be on November 1st at the clubhouse and starts at 8:30 a.m. All residents are invited and encouraged to attend. We also encourage you to wear your name badges. Meet your committee members and learn what is going on with each activity. *Roberts Rules of Order* will be followed.

From the Director

'Tis the Season – The Rancho Rialto Activity Season!

All but one board member is now on-site, and Pauline, the Mobile Home Rep will arrive by Thanksgiving. We have been meeting to set agendas, make plans, work on activities, and solve any issues so that all the residents can enjoy their favorite activities and re-connect with friends and neighbors we may not have been here during the pandemic. I look forward to meeting many of you at the Halloween Party and the General Meeting the following morning. The Canadian border will be open on November 8th and our neighbors to the north will be joining us soon. The Board is raring to go as are the Activity Chairs, however, we still need volunteers. It's fun, and a great way to meet people. Select the activities you are most interested in and enjoy, add your name to a sign-up sheet in the Clubhouse today!
