

## **Rancho Rialto Activities Editorial Update**

Good day folks.

Coming to you from Ontario, Canada. We had a great summer here and looks like a very warm Fall.

COVID is still very much in the forefront of every activity; we need more people to get their shots.

As for myself, I have to tell you all that my time in the sunny southwest is over. My husband's health issues have made it unreasonable to cross the border; consequently, I am resigning from my position as Home Representative on the RRAC Board of Directors as of Sept 24, 2021.

The past two years have been very trying for all of us. The Board accomplished many things such as rescheduling events after cancelling them due to COVID, upgrading computers software, key housekeeping items, as well as outside street dances. Threads of Kindness worked hard supplying masks and making carry bags for Amberly's Place. Marty and Dawn worked tirelessly to keep the shuffleboard going. Committees worked on bylaws, Bingo, the Summer Program, and activities committee on organizing next year's activities, so even though things were closed down, we worked together trying to make things better for our residents. Although the board members were spread out over the United States and Canada, we continued working as one through teleconferencing.

I encourage all of you to work and play together to make Rancho Rialto the best it can be. The big Halloween Costume Party is coming up with many HALLOWEEN surprises. Plan to attend as it sounds like lots of fun.

In closing, I have truly enjoyed my time being part of the RRAC Board and park resident. I believe Rancho Rialto is the best park in Yuma, so do your best to keep it that way, by volunteering and participating in events.

I will miss you all and the fun we had!

**Tara Meadus**

Manufacturing Home Representative
