

# Shuffleboard News

From: Marty Busch, Yuma District 3 ASA president  
Dawn Cappleman, Rancho Rialto Shuffleboard Director

Welcome to a new season at Rancho Rialto RV Park. As you know this is going to be a season of uncertainties. But here are some things we do know: There will be no ASA league play this season; Don Tracy will not be playing; there will be no ASA tournaments. These are decisions which are consistent with other districts throughout Arizona.

**We will be able to use the shuffleboard courts, with restrictions at Rancho Rialto RV Park.** BUT the courts will not be available until **November**. At that time we will also have the guidelines for using the courts. We are also hoping to be able to still have our in-park tournaments. So check the newsletter and the shuffleboard bulletin boards for more information.

Thank you for your patience as we prepare the courts and make decisions about how to proceed this upcoming season.
